INTRODUCTION
The Western Connecticut State University Police Department (WCSUPD) is pleased to submit the annual Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics report for 2018 to help inform and increase your awareness of the current programs that exist to assist you in protecting your safety and well-being.

The report for 2019 includes mandated crime statistics for the 2018, 2017 and 2016 calendar years. These statistics represent certain reported crimes that occurred on campus, on non-campus property and on public property. Incidents occurring within residence halls are also listed and are a subcategory to the on-campus reportable crimes. These incidents are further categorized for each of WCSU’s two campuses: Midtown and Westside.

Statistics for WCSU at Waterbury, housed on the grounds of Naugatuck Valley Community College (NVCC), can be obtained from NVCC’s Public Safety Department or on the web at: http://www.nv.edu/Student-Life/Where-to-Go/Safety-Support/Public-Safety/Campus-Crime-Report

Additionally, all Clery Act reportable crimes from NVCC occurring in the classrooms or offices assigned to WCSU are listed under the non-campus crimes on the statistical charts. This category also contains crimes occurring in the hallways and stairwells leading to those rooms and in the parking lot used by our students.

The report also contains various policy statements with regard to crime reporting; access to campus facilities and residence halls; security considerations used in maintenance; enforcement and arrest authority of the WCSUPD and their relationship with federal, state and local police agencies. These policy statements and others concerning crime reporting and sex offense procedures are mandated by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, formerly known as the Campus Security Act of 1990.

Copies of this report are available to all students, faculty and staff on-line at:

http://www.wcsu.edu/police

You may view a printed copy at the WCSU PD on Roberts Avenue on the Midtown campus.

The Higher Education Opportunity Act (Public Law 110-315) (HEOA) mandated a number of additions that are contained in this report and mandated that campuses also publish an Annual Fire Safety Report. Fire Safety at WCSU is under the supervision of
the Environmental and Facilities Service Department located in the Boiler House Annex on Roberts Ave. The Annual Fire Safety Report can be accessed online at:

https://www.wcsu.edu/ehs/fireprevention/

**Report Preparation and Security Authorities**
The process to prepare this report involves several steps beginning with a review of the most recent calendar year’s crime statistics. For this report, the reported crimes in 2016 and investigated by the department were reviewed and categorized. Those incidents are categorized and the crimes reportable under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act are selected for this report.

In addition, information received and contained in Anonymous Reports made to the police department are included in the statistical information for sec crimes, domestic violence and stalking, as per the provisions of the federal VaWA. (Violence against Women Act)

WCSU PD requests crime statistics under the Clery classifications from the Danbury Police Department. Those crimes are incidents that occurred on public properties surrounding the campuses. These crimes are recorded in the crime statistics under the public property classifications.

The WCSU PD also requests non-reported crimes from various staff and faculty members who are considered security authorities under the act. They include academic department heads and senior administrators, faculty members and staff who may have received anonymous reports from students who do not wish to pursue criminal complaints and various members of the Student Affairs staff who adjudicate policy violations, which may also include Clery Act violations. Although these reportable incidents are not investigated by the police, they are included in the statistical report to provide as complete a picture as possible of the safety and security environment on campus.

After these reportable incidents are tallied, they are analyzed and reported in the annual Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Report.

**University Police Authority**
The WCSU PD is established in accordance with Section 10a-156b of the Connecticut General Statutes, which provides for a special police force at WCSU whose members have the same duties, responsibilities and authority as members of a duly organized local, municipal or state police department.

The jurisdiction of the department extends to the geographical limits of the property owned or under the control of WCSU. The department has statewide jurisdiction in felony cases, in accordance with Connecticut State Law.

WCSU PD provides other services essential for the good of the campus community. All departmental activities and efforts are directed toward fulfillment of these obligations in the most efficient and effective manner possible within the legal, ethical and moral framework of contemporary society.
WCSU PD provides other services essential for the good of the campus community. All departmental activities and efforts are directed toward fulfillment of these obligations in the most efficient and effective manner possible within the legal, ethical and moral framework of contemporary society.

**ORGANIZATIONAL STRUCTURE**

The WCSU PD reports to the Chief of Police who serves as the chief law enforcement officer on campus. The Chief reports to WCSU’s vice president for student affairs and works in cooperation with other university departments, offices and services on campus to provide a safe and secure campus environment.

The primary function of the police department, through the uniformed patrol function, is to provide a visible deterrent to crime by patrolling the grounds and properties of WCSU in vehicles, on bicycle and on foot. Patrol is also responsible for the law enforcement functions of crime prevention; arrest and prosecution of criminals; crime suppression; order maintenance and crowd control; special events management; traffic regulation, both vehicular and pedestrian; traffic enforcement and parking control.

The police lieutenant, who serves as the department’s executive officer, manages the patrol function, police dispatch as well as the community services and crime prevention activities of the department. The lieutenant is in command of the department in the absence of the chief.

A police sergeant supervises each of the three patrol shifts. Sworn police officers are assigned to each shift and perform the primary law enforcement functions. Buildings and grounds (non-sworn) officers, are also assigned to each shift. They perform security patrol functions and serve as communications’ dispatchers.

The police department is committed to the development and implementation of proactive programs that enhance public safety at WCSU. The department offers a Rape Aggression Defense (RAD) program to our community each semester and participates in several crime prevention and safety awareness presentations in collaboration with our academic programs, sponsored by the Office of Housing and Residential Life, Student Life, Health Services and the CHOICES program. The department plans to continually strengthen this program and add resources to make our services more accessible to the campus community.

The Training Sergeant coordinates the public outreach activities of the department especially in the area Active Aggressor awareness. During the past year the WCSU PD has given nearly 100 talks to student groups, residence halls, faculty and staff. The Training Sergeant is assisted in these activities by the Lieutenant and the other sergeants and officers of the department.
Western Connecticut State University Police Department
October 2019

The WCSU PD maintains a close working relationship with all law enforcement agencies including the Danbury Police Department, area local police departments, the Connecticut State Police, the criminal court system and federal law enforcement agencies. Meetings are held on both a formal and informal basis and crime-related reports and statistics are routinely exchanged. The institution has a formal written memorandum of understanding (MOU) for mutual aid as per CGS 7-277a (b) with the Danbury Police and all police agencies in Northern Fairfield County.

Further, the WCSU PD enjoys a close relationship with the Connecticut State Police and rely on the CSP for assistance in the investigation of serious crimes and incidents that occur on the WCSU campuses. The WCSU PD maintains a liaison with the Office of the State’s Attorney and actively participates in emergency planning and coordination with municipal police agencies in the Northern Fairfield County Region.
University Police: Patrol, Training, Phone Numbers

University police and buildings and grounds patrol officers patrol the campus 24 hours a day, seven days a week, and are always ready to provide emergency and non-emergency assistance and service.

All WCSU PD police officers are graduates of the Connecticut Police Academy and are empowered by state law to arrest, carry firearms and provide the same law enforcement services that local police provide for a city or town. In addition to police academy training, university police officers also regularly attend scheduled in-service training programs in areas such as legal updates, alcohol and substance abuse, police community relations, diversity and sensitivity training, the management of aggressive behavior, crisis intervention team training and defensive tactics. All officers are certified in First Aid and cardiopulmonary resuscitation (CPR) and all officers have been qualified to operate the automatic external defibrillators (AEDs) that are deployed in all of our marked police cruisers and in many of the university facilities. The WCSU police personnel have also have completed all mandatory and elective recertification training provided and required by Connecticut Police Officer Standards and Training Council. (POSTC-C)

Officers also are given the opportunity to attend professional development programs and courses geared to enhance their effectiveness on campus. We currently have officers who are certified as crime prevention specialists and have one Buildings and Grounds Patrol officer who is certified as a CPTED specialist. All of these officers were certified by the American Crime Prevention Institute of Louisville, KY.

The WCSU PD currently has one instructional team of RAD (Rape Aggression Defense) instructors who can team teach courses offered to the community and also partner with the Norwalk Police Department to provide classes to the community.

The Police Department also maintains access to the NLETS (National Law Enforcement Telecommunications System) and has two way radio communication interoperability capabilities with the Danbury Police, Danbury Fire & Danbury EMS, Danbury Ambulance, Danbury Emergency Management as well as FAPERN (Fairfield County Police Emergency Network).

The police can be reached for any emergency by calling 911. For routine calls, calling (203) 837-9300 from any phone on campus anytime, day or night, will bring a response. An officer will be immediately dispatched to provide whatever assistance is required. 911 calls from campus phones go directly to the City of Danbury Emergency Telecommunications Center and are concurrently displayed at our dispatch center’s E-911 display computer. The city’s Emergency Telecommunications Center, at the Danbury Police Headquarters, relays the call information to the WCSU PD, located on Roberts Avenue on the Midtown campus.
Reporting a Crime

If you become the victim and/or are witness to a crime, you should immediately report it to the WCSUPD or the appropriate law enforcement agency if off campus. The sooner crime is reported, the better the chances of the police being able to solve the crime, apprehend the suspect, and recover any property that may have been taken. We encourage our community to accurately and promptly report all crimes to the appropriate police agency.

Crimes can be reported by calling the WCSU PD at (203) 837-9300 (911 for emergencies) or you can go to the police station on Roberts Avenue. Or, you may use one of the many emergency phones on campus. An officer will be dispatched to your location to begin an investigation of the crime. The officer will want to know some basic information about you as the complainant and the incident you are reporting. You may be asked to give a signed statement attesting to the facts of the incident. Police generally take the information and develop other information through investigation, as they attempt to solve the crime.

Confidential Reporting Procedures

If you are victimized by crime and do not want to pursue action within the university system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the chief of police or a designee of the WCSUPD can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep a matter confidential, while taking steps to ensure the future safety of yourself and others. This information allows the university to keep an accurate record of the number of incidents involving our community and determine if there is a pattern of crime with regard to a particular location, method, or assailant so the campus community can be alerted to potential danger. Reports filed in this manner are counted and disclosed in the annual statistics for the institution. Pastoral and professional counselors also may encourage clients to make voluntary, confidential crime reports.

See attached link for anonymous reporting form and procedure:

https://www.wcsu.edu/police/anonymous-incident-report/
**Timely Notice**
In accordance with the Clery Act, the department will issue a crime alert within 24 hours of an incident to aid in the prevention of similar crimes. The notices will be for crimes listed in the Clery Act that are reported to the WCSU PD or other campus security authority and/or the Danbury Police Department and that represent an ongoing threat to others on campus. The department has implemented a system to send out these alerts through email blasts to our populations to enhance and speed the alerting process.

**Daily Log**
The Police Station maintains a daily log of all crimes reported to the department. The log lists the nature of the crime, the date, time and general location of the crime and the disposition of the complaint if known. Entries or updates within two business days may be withheld if the information is protected by statute, if there is a danger to the victim or a need to keep the investigation confidential. If there is reason to believe that release of information will result in the perpetrator leaving the area or that evidence will be destroyed, information may be withheld until the jeopardy no longer exists. The daily log is open to public inspection at the WCSU Police Department web site [www.wcsu.edu/police](http://www.wcsu.edu/police). Data more than 60 days old will be made available within two business days of a request for public inspection.

**Uniform Crime Reports (UCR) and the Clery Act Statistics**
WCSU police participate in the Connecticut Uniform Crime Report (UCR) Program, and National Incident Based Reporting System (NIBRS). Every month, we, along with other law enforcement agencies throughout the state, submit UCR data indicating the number of offenses brought to our attention. The offenses that are reported are called Part I (crimes against the person) and Part II (crimes against property) crimes. Some of these crimes are murder, forcible and non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft and arson.

These crimes are mandated by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to be reported and distributed annually on October 1, through the WCSU PD’s Annual Report to all current students, faculty and staff. The statistics gathered for this report include: all reported crimes in these categories reported to the police department that occurred on campus and in residence halls; incidents that occurred on public property surrounding the campus that were reported to the WCSUPD; incidents that occurred on non-campus property; and incidents not reported to the police that may have been reported confidentially to a campus security authority. The report also contains statistics for arrests and referrals to the campus judicial process for liquor law violations, drug abuse violations and weapon law violations.
Hate Crimes
Federal law also requires that all hate crime in the mandated categories be reported. Those crimes are further broken down by the nature of the bias; for example, race, gender, religion, sexual orientation, ethnicity and disability. The revised regulation adds the crimes of larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property to the list of crimes that must be reported in hate crime statistics. We have also reported hate crimes classified by state statutes to the State Police and they are listed as follows:

**Midtown Campus**
2016: None
2017: None
2018: None

**Westside Campus**
2016: None
2017: None
2018: None

The following chart shows the mandatory statistics for the calendar years of 2013, 2014 and 2015. The chart reflects the specific crime categories specified in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act — Midtown and Westside. Specific crime definitions follow the chart and are in accordance with the UCR and NIBRS definitions.

### Definitions:

- **OC** = On Campus (Includes properties owned by a recognized student organization or owned or controlled by the university)
- **NCP** = Non Campus Property (This category includes the classrooms and offices assigned to WCSU at Naugatuck Valley Community College in Waterbury, CT)
- **PP** = Public Property (Reported by the Danbury Police for areas surrounding the campus)
- **RF** = Residential Facility (This is a sub-set of the statistics reported under On Campus)
Response to Sexual Assault, Interpersonal Violence, Dating Violence and Stalking:

Sexual Crimes, interpersonal violence of any type, domestic and dating violence and stalking are not only crimes under the federal Violence against Women Act (VaWA), Connecticut General Statutes but also a violation of the institution’s rules and regulations. WCSU provides educational programs on campus to promote awareness of rape, acquaintance rape and other sex offenses. These programs take place regularly in the Student Centers, in residence halls and elsewhere on campus. The Training Sergeant coordinates requests for police participation in these programs in conjunction with departments such as Housing and Residential Life, Counseling Center, Choices Office, Health Service, social work department, nursing department, and others. All are responsible in seeing these programs are made available and implemented at WCSU. Sexual assault and intimate partner violence primary prevention and awareness programming will be available for all students and the programming will:

1. Explain the definition of consent in sexual relationships; and
2. Provide information on the reporting of such assaults and violence, bystander intervention and risk reduction.

Ongoing prevention and awareness campaigns are also offered throughout the year.

If you become a victim of or witness to a sex offense, interpersonal violence or stalking report it immediately to the WCSU PD by calling 911 or (203) 837-9300, 24-hours a day, 7-days a week or contact any on-duty officer on campus. Your identity as a victim will be kept confidential by law. It is extremely important that sex offenses be reported immediately so that the crime scene and any evidence of the crime can be preserved and secured as soon as possible. It is also critical that you seek prompt medical attention so that you can be screened for sexually transmitted disease and pregnancy and so that a sexual assault evidence collection kit can be administered immediately.

Assistance is available to you on campus through the WCSU PD, the Office of Housing and Residence Life, the Counseling Center and the Health Service. Off-campus services also are available through the Women’s Center and their Sexual Assault Hotline, which is staffed 24-hours a day, 7-days a week, at (203)731-5204. The center also provides a Domestic Violence Hotline at (203) 731-5206. The Women’s Center of Danbury has also stationed an advocate on campus who can be reached at (203) 837-3939. The Danbury Hospital Emergency Department also is a resource; their number is (203)797-7100.

In addition to notifying law enforcement, you also have the right to receive services from campus authorities under the Campus Resource and Response Team (CaRRT). See link to CaRRT for full details and information.

https://www.wcsu.edu/diversity/carrt/

If you live on campus, the Office of Housing and Residence Life will, at your request, change your living situation to whatever extent is possible and reasonable. In addition, they can assist the dean of Students Affairs to have your academic situation changed if you choose to do so.

Campus Judicial Action

In cases of an alleged sex offense, when the accused is a student, both victim and the accused are entitled to have others present during a disciplinary hearing. You can:
1. be accompanied to any meeting or proceeding by an advisor or support person of your choice, provided that the advisor or support person does not cause a scheduled meeting to be delayed or postponed;
2. present evidence and witnesses on their behalf;
3. be informed in writing of the results of the disciplinary proceeding no later than one business day after it concludes; and
4. have their identities kept confidential, except as necessary to carry out a disciplinary proceeding or as permitted by state or federal law.

Additionally both the victim and the accused must be informed of the outcome of any university disciplinary proceeding. You have the right to request that disciplinary proceedings begin promptly and know that an official trained in issues relating to sexual assault and intimate partner violence must conduct the proceeding. The judicial process will use the “preponderance of evidence standard” (i.e., whether it is more likely than not that the alleged incident occurred).

Following a final determination of responsibility in the university’s disciplinary proceeding regarding rape, acquaintance rape or other sex offense, the university judicial officer may impose any sanction or combination of sanctions, including expulsion, as authorized in the Student Rights and Responsibilities document for the academic year in question.

Victims’ Assistance
All victims have rights that include:

• Assistance in obtaining immediate medical care, if required.
• The right to request to be notified of court proceedings, including arrest, arraignment and release of the offender.
• The right to be protected from harassment from an employer for appearing as a witness if you have received a subpoena.
• The right to have property returned if it was seized by police in the investigation or prosecution of the crime committed against you.
• The right to make an application for compensation for any bodily injuries you have suffered as a result of the crime.
• The right to request to be informed of services and agencies that can help you, including the assistance of a victim advocate.

To receive more information about these and other rights of crime victims and the services available to you, call:

Registration of Sex Offenders
In accordance with Chapter 969, Section 54-258 of the General Statutes of Connecticut, the Western Connecticut State University Police Department keeps a record of all registration information transmitted from the Connecticut Department of Public Safety. This registration information is accessible to the public during WCSUPD’s normal business hours, which are 8:30 a.m. to 4:30 p.m., Monday through Friday. There also is a direct link to the Sex Offender Registry through the WCSUPD Web page at: www.wcsu.edu/police/

Crime Prevention Programs, Security Awareness Programs and Other Services
Crime and criminality are problems of concern to the entire community, not problems of the police alone. The police are charged to prevent and suppress crime and to solve crime once it occurs and do these things to the utmost of their ability. However, they are realistically aware that they can neither prevent all crime from occurring, nor solve every crime that does occur. To attain the greatest possible degree of success in these endeavors, we require and strive to obtain the active cooperation, assistance, and moral support of the people we serve.

Crime takes place in our society at large, and unfortunately, the problem does not magically disappear at the edge of the campus. Thefts, assaults, and other violations of the law do sometimes occur at WCSU as at other colleges. It is not likely you will be a victim of crime here, but it is possible. Recognition of this fact is a good first step in avoiding becoming a victim of crime. We can all further reduce the risk of victimization by thinking about our personal safety and taking practical, precautionary measures.

The WCSU PD has a wide variety of information and flyers on such topics as self-protection, rape prevention, theft prevention, etc. In addition, there are specialized topics of interest, which include drug abuse and alcoholism, to name a few. Also, the department sponsors a speaker’s bureau, where university police officers, experts in particular areas, go out and address the community and make appropriate contacts for expert lecturers.

Safety Escort Services
This service is available to all students, faculty, staff and guests of the university. A safety escort is as close as the nearest telephone. To obtain a safety escort, simply dial the WCSU PD at (203) 837-9300 or activate any emergency or courtesy phone on campus.

When the dispatcher answers, let them know you wish to obtain an escort. The dispatcher will request your name, present location, and the location to which you wish to be escorted. The dispatcher will then dispatch an officer to meet you. Safety escorts are provided by uniformed police or buildings and grounds’ officers of the department.

The WCSU PD provides safety escorts 24 hours a day, seven days a week on campus. Safety escorts may be provided by a foot patrol officer, a bike patrol officer or an officer in a marked police or buildings and grounds vehicle.

Student safety escorts will normally operate in pairs and carry two-way radios that place them in direct contact with the WCSUPD. The student safety patrols wear clearly identifiable security jackets while on duty.

Emergency Telephones
The university has an emergency telephone system ("Blue Light" phones) that places the caller in direct contact with the WCSU PD dispatcher. These phones are highly visible either in a bright yellow phone box (Y) or surround type stainless steel phone with blue strobe light (B) and are located at various places around campus (inside and outside of buildings). The phones have a single button operation which, when pushed, will immediately notify the dispatcher of the caller’s location. The caller can speak directly into the phone box for hands-free communication. Please familiarize yourself with the location of emergency phones on campus.

In addition to emergency phones, the university has installed courtesy phones that provide intra-campus calling. Courtesy phones are located on each floor of classroom buildings, in Alumni Hall and residence halls. The WCSUPD can be reached from these phones by calling (203) 837-9300 or “911”.

• Students and others who do not reside on campus are asked to create a similar list and
turn it into the police department. These lists will aid in the recovery of your property in
the event of a theft.

In conjunction with student organizations and housing staff, the WCSU PD will provide
guidelines and assistance in establishing identification, marking and preventive education

Operation ID (Theft Protection)
The most prevalent criminal incident that occurs on a college campus is theft. Thefts are
not only the concern of the victim and the police, but of the entire university
community. To help prevent thefts and other losses, the WCSU PD has initiated
OPERATION IDENTIFICATION.

This program is designed to inform the community of crime prevention techniques
which may be used to deter burglars and thieves and to assist police personnel in
recovering, identifying, and returning stolen property whenever a property crime occurs.

OPERATION ID is conducted in the following manner:

• Participants living in campus housing are encouraged to list the make, model, serial
number and value of the possessions they bring on campus and to provide that list to their
building RD and/or the Housing Office to provide a ready reference if a crime occurs.

• Students and others who do not reside on campus are asked to create a similar list and
turn it into the police department. These lists will aid in the recovery of your property in
the event of a theft.

In conjunction with student organizations and housing staff, the WCSU PD will provide
guidelines and assistance in establishing identification, marking and preventive education
programs at the small group level.
**Other Community Education Initiatives**
In addition to the crime prevention programs listed above, the WCSUPD has collaborated with a number of departments on campus to provide personal safety and security educational programs to the campus community annually. Although most of these activities are geared for students, a number of faculty and staff have attended and participated in these programs. The department assigns officers to participate in campus-wide student programs such as the Alcohol Awareness Week events and the annual Health Fair, sponsored by the CHOICES office and Health Services.

The Housing and Residence Life group also sponsors organized student education and awareness programs each semester and the WCSUPD is often invited to participate. Regular presentations are given to both parent and student orientation groups in the summer and during Welcome Week at the start of the fall semester.

The WCSUPD presents safety orientation programs for the ConnCap/Upward Bound program, the Educational Access and Achievement Program, the Western Connection program and AccessAbility Services.

Programs in the Management of Aggressive Behavior, Theft Prevention and the Emergency Management Plan have been presented numerous times in past years to various groups of employees.

These programs are designed to inform students, parents and employees about crime prevention and personal safety and to encourage everyone in our community to look out for themselves and for one another.

**Access to Campus Facilities**
The academic and administrative buildings on campus are open to the public during normal business hours. Most facilities have individual hours, which may vary at different times during the year. Access to some of these buildings is controlled by card access after normal business hours. Access can be granted by making a request to the WestConnect Card Office in Old Main 013. For information about access protocol to a specific building, see the department manager or contact the WestConnect Card Office in the basement of Old Main 013.

**Residence Hall Access**

**Access Control**
If you live on campus, the door to your apartment is locked by a card-reader mechanism. Your university identification card acts as the “key” to your apartment. Please make sure that you do not give your card to anyone else. If your card is lost, you should report this to your resident assistant immediately. There is a fee to replace an identification card.

**Guest Policy**
Guest, by the Board of Trustees policy, are permitted visitation during the hours of desk operation. Guests must present valid (non-expired) photo ID (drivers license, CSU student ID, State-issued non-driver ID, military ID, or passport) at the information desk in order to be admitted to the building. All guests must be 18 years of age. The only exception would be a CSU student that is currently not 18 years of age. (Special written
permission is required for underage guests.) The visitor will then attempt to contact residents by phone. Residents must come to the desk to sign in their guest, and must escort them everywhere in the building.

If you’d like you may sign your guest out, relinquishing any responsibility for them or their actions. Guests who appear to have stayed in your room more than three days will be considered living illegally in your room and will not be permitted to continue to sign into the building. You may also not sign in more than two guests per resident.

**Alcohol and Drug Policy**
The university does not condone violations of those laws proscribing possession, use, or sale of alcoholic beverages and possession, sale, use, manufacture or distribution of illegal drugs. In addition to arrest and prosecution, administrative action, which may include eviction from the residence halls, revocation of other privileges, or suspension or expulsion from the university, may be taken in order to protect the interests of the university and the rights and safety of others. Expulsion from the university, may be taken in order to protect the interests of the university and the rights and safety of others.

**Other Alcohol Policies**
1. Possession or consumption of alcoholic beverages by persons under the legal drinking age (21) is prohibited.
2. The possession or consumption of alcoholic beverages by persons of legal drinking age (21) is permitted in individual rooms only.
3. Possession or consumption of alcoholic beverages in public areas within and around the residence halls is prohibited. This includes the hallways, practice rooms, computer rooms, lounges, bathrooms and properties adjacent to the residence halls.
4. Possession or use of kegs, beer balls, and other containers of alcohol larger than a quart (and not intended or designed for individual consumption) is prohibited.
5. Alcoholic beverages may be transported into the residence halls by persons of legal age (21).
6. Room parties, with or without alcoholic beverages, are not permitted in the residence halls. A party is not contingent upon a set number of people, but upon the activities in which the people are involved.
7. The use of residence hall social fees for any event where alcoholic beverages are available is prohibited.

**Firearms/Fireworks Policy**
All members of the WCSU community have a responsibility to use due care for their safety and to comply with all federal, state, and local laws and university regulations. In the interest of public safety, no employee, student, visitor, or guest (except authorized members of a duly organized law enforcement agency) shall bring any weapon or dangerous instrument as defined below anywhere on the property owned or under the control of WCSU. Anyone (faculty, staff, students, or guests) with a concern about personal safety is encouraged to contact the WCSUPD or the Human Resources Department.

Weapon means any firearm, including: a BB gun (loaded or unloaded); any knife (excluding a small pen or pocket knife), including a switchblade or other knife having an automatic spring release device; a stiletto; any police baton or nightstick or any martial

A ‘dangerous instrument’ is any instrument, article, or substance that, under the circumstances, is capable of causing death or serious physical injury.

Any weapon or dangerous instrument on campus will be confiscated.

Emergency Response and Evacuation Procedures

WCSU, its sister universities and community colleges, have implemented an Emergency Notification System (ENS). The EMS used is Everbridge. All students and faculty/staff are encouraged to register.

Emergency Notification System

Your safety is Western Connecticut’s top concern. In support of that, we recently launched an initiative to further strengthen our emergency preparedness and communication plan using Everbridge—a leading provider of critical communication solutions. This system enables Western Connecticut to deliver critical information to our Western family about a wide variety of situations, including campus safety alerts, public health emergencies, campus evacuations, and class cancellations.

Western’s updated alert system enables university officials to communicate with students, staff, and faculty in minutes by sending a message through multiple contact methods—including email, text messaging, and phone calls. This is a free service to members of the Western community.

How the Emergency Notification System works

1. University official creates voice and/or text message via phone or computer
2. Mass notification system attempts to contact everyone simultaneously with voice and text messages via their preferred devices
3. Students, faculty, and staff receive text and voice messages in minutes—whether located on campus or off campus, in class or in transit or elsewhere

The implementation of this system reflects the university’s commitment to the protection and preservation of the life, health and safety of the campus community and to safeguard the operations of the institution. The system is designed to quickly send emergency notifications and provide information and protective action to campus members through various electronic media to include voice, text messaging, cell phone, e-mail, land line and personal digital assistant (PDA).

- WCSU PD will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.
- The institution will, without delay, taking into account the safety of the community, determine the content of the notification and initiate the notification system unless the notification will, in the professional judgment of the police department, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.
- When a situation is reported to WCSU PD, the department will immediately respond and investigate. An activation approval process has been developed involving key university administrators who will approve the release of the notification. In dire emergencies, this task may fall to the police department so as to not delay the notification.
- The university uses the Incident Command System (ICS) structure for emergencies and the system would be implemented if and when the release of information is deemed necessary and appropriate. In most instances, activation of the system would involve approval of the university president.
- Notification measures to the larger community for emergency situations include the ENS, campus e-mail, vehicle and portable public address, the WCSU Information Line, student portal, WCSU (WXCI) radio and television and media release/press conferences. All measures involve the police department, the office of the vice president for student affairs, finance and administration, university relations, information technology resources, facilities and planning and engineering and the University’s office of Emergency Management.
- The institution will test the ENS system annually in accordance with the W.C.S.U. Emergency Management Plan.

Evacuation Procedures

All campus buildings are equipped with a fire alarm system that when activated alert the building occupants to leave the premises. Some of these systems have voice public address capabilities and they may also be used if an individual building is involved in an emergency situation. The environmental and facilities department supervises the fire alarm systems on campus and has published the Annual Fire Safety Report cited on page 2 of this document.

The police department monitors those alarms around the clock and responds to all activations and notifies the Danbury Fire Department.

Take note of the WCSU Community Response Checklist posted in all classrooms and common areas on campus. It provides a quick guide to various emergency situations and how to respond to them including:

- Contacting the police in an emergency situation - Call 911 from any campus phone;
- Fire or Fire Alarms - Evacuate;
- Medical emergencies – Call 911;
- Bomb or suspicious packages - Evacuate;
- Shooting or sighting of an armed person – Escape if Safe to do so or Shelter in Place. Do Not activate the Fire Alarm system;
- Leaving a secured or safe area.

**Missing Student Notification**

In the event that a student is deemed to be missing from our residence halls or from the campus, all persons are directed to report this fact to the university police department. Reports should also be made to the housing and residence life department and/or the dean of students’ office. The university police will begin an investigation and attempt to find the missing person immediately upon receipt of the information. Under state law as well as police department protocols, the person does NOT have to be missing for 24 hours before these actions are taken, but rather as soon as it is determined that the person is missing.

Each student living on campus has the option to register a confidential contact person to be notified in the event that the student is determined to be missing. Only authorized campus officials and law enforcement officers, in furtherance of a missing person investigation, may have access to this information. All students, even if they have not registered a contact person, are advised that the local law enforcement agency will be notified the student is missing. The parent or guardian of any student under 18 years of age and not emancipated must be notified as well.

Official missing student reports are to be referred immediately to the WCSU PD and/or the local police department. Missing students can be reported by calling the dispatch center at WCSU PD (203) 837-9300 or by dialing 911.
